

Week 2 Term 2 Newsletter

13th May 2022

It was so good to finally be able to take teams out to interschool sports events, our first being Rippa Rugby. What a day! Clive certainly represented with probably the largest contingent on the day! Ka mau te wehi team!

Kia ora Clive Whānau,

It is wonderful to welcome everyone back in Term 2 with the school feeling a lot more 'normal'. We wish to thank you for the way you have supported us over the past few years as we all have learnt to live in these Covid times.

Over the last two weeks we have been undertaking our Navigating the Journey (our bodies, puberty and reproductive systems) sensitive topics. These are a challenging, but necessary part of the Health curriculum that are designed to inform our tamariki about their changing bodies before they are exposed to everything online. They are a difficult subject to broach for our staff and you our community as we all have our own values and belief systems that our whānau live by. As we go through the lessons we have been receiving feedback, which we greatly appreciate. Finding the right balance of the needs in our community is always going to be something that we need to adapt to, and your feedback greatly influences what and just how much we cover. At the end of the Sensitive Topics section we will send home a short survey via email. We would greatly appreciate your input so we can tailor our teaching and learning programme during these sessions to the needs and wants of our community. Please keep an eye out for this survey in your inbox.

Reminder: You may elect for your child to be withdrawn from these lessons if you wish. Please inform your child's teacher if you wish to do so.

As the weather cools we are noticing a lot of uniform items (and shoes) being left at school, unfortunately most are not named so cannot be returned to their rightful owners. Please check that your family's items are all clearly named so everything can be returned to its rightful owner.

As always, if you have any questions regarding your child's education, please do not hesitate to contact us, our doors are always open.

Noho ora mai,
stay well

If you haven't received the email and would like to attend then please contact Jo in the office.

Every year Clive School will be hosting a Mothers, Whaea and Daughters Evening for the girls in years 4 to 6. We will be sharing the powerpoint that the year 5 and 6 girls have already worked through that day about 'Pubertal Change'. This will include; human stages, how our bodies develop at different times and mostly - Puberty. Looking at how your mind and body changes, hormones, emotions and getting your first period.

Then there will be an opportunity for some of our mothers and whaea to share some of their personal experiences with the girls and for everyone to ask and answer questions around this topic.

It will be a great opportunity to see what questions the girls have and what they already know.

CAN YOU HELP?

Coconut or wool food liners:

Do you get My Food Bag, Hello Fresh or any other food delivery services? If so could you please give us the coconut/wool liners that are used to keep the food chilled (no plastic please)?

We are wanting to cut these up to use around the new native plants that we will be planting shortly along Muddy Creek. Please bring them to the office.

Old Ski Gloves:

Holding a road patrol sign on a frosty morning is no fun with freezing hands. Do you have any old child sized ski gloves that are no longer used? (9-10 year old size) If so we would love them for our awesome Road Patrol team to keep their hands toasty and warm in the coming months!
